

1721
~~1723~~

James Franklin began to publish
a weekly paper. His apprentice Benjamin
Franklin (age 15) ran the shop & published
the paper when his brother James
was jailed for his views.

1706
15
1721

Ben wrote letters under an assumed
name. James liked the letters &
printed them, but when he found
out, he was very angry.

Delaware River up to the Schuylkill. Penn named
a yet-to-be city Philadelphia (City of Brotherly
love) He made friends with the Delaware Indians
chief Tammamy. 3000 people came to settle in
the first yr. alone
